

# 2027 Scholarships

  
**SYDNEY**  
CHILDREN'S  
CHOIR

For Young Singers of Outstanding Ability

Sydney Children's Choir is pleased to offer excellence scholarships for our choir. Choristers who receive a scholarship will receive a full subsidy for their 2027 choir fees.

Over its 37-year history, the Sydney Children's Choir has forged a reputation for artistic innovation and spell-binding performance. Our internationally recognised choral training program offers a standard of vocal training unsurpassed in Australia, developing each chorister in choral singing, aural skills, music theory, composition, sight singing, movement and professionalism on and off stage. The program goes beyond the school curriculum, allowing choristers to extend their musical knowledge and providing them with exciting performance opportunities.
